• OUR PEOPLE

With an average of **25 years** of continuous service represent the spirit and culture within our organization

• OUR PURPOSE

Building partnerships; creating superior design and construction solutions; transforming our clients' visions into reality.

• OUR PAST

Demonstrates our commitment to Cost, Schedule, Quality and Safety.

Our Commitment

"At Forcum Lannom we take great pride in being problem-solvers for our clients. There are probably not many situations that arise that we have not been exposed to before... whether it's a unique design opportunity, a difficult construction problem or an expedited construction timetable.

We are professionals in this business and we take that very seriously. We're not going to take on something that we cannot do. When we tell an Owner what to expect, you can book it, because we're going to do what we say and do it without any surprises."
